Owing to the **proliferation** of social media, the definition of beauty has **intrigued** the public. As far as I am concerned, **I am in line with the view that** 【同位语从句】 merely the wealth of the mind is the only true wealth. 【改写题目】

First and foremost, what must be **prioritized** is that 【表语从句】 the wealth of the mind

contributes a great deal to the society. The **prime** reason is that with this mentality, people will read plenty of books that can **expand one's vision**, and **pay rapt attention to** the things that **enhance their capabilities**. And thus, they will **exert themselves to** achieve success step by step. Therefore, it reinforces my point that **【同位语从句】** the wealth of mind plays a **pivotal** role in the growth of the society.

In the second place, never can people ignore the **indispensability** of the wealth of mind to themselves. **【倒装句】** Without the **mentioned** belief, they will miss the beautiful sceneries during the process of exploring the mind. In the end, they may become narrow-minded and fulfill nothing.

In a nutshell, it is reasonable to reach **【形式主语】** the conclusion that the wealth of mind is the true wealth.
